

Inspiring authentic  
adventures since 1984

Since 1984 we have delivered top quality service to partners that specialize in tailor-made experiences and small groups. Our extensive local knowledge and networks of preferred suppliers provide us with a strong competitive advantage.

We dedicate time exploring off the beaten track destinations and authentic activities that allow us to offer unique barefoot-luxury experiences. Sustainability, quality, health, safety and innovation are key ingredients in our immersive journeys.

Our success is based on the work of a committed management team, experienced trip designers, detail-oriented operations team, and to top it off, a group of naturalists guides that have been compared with the best in the world by our clients.

# Our experiences

## AUTHENTIC RURAL IMMERSIONS

Discovering a destination is not only about its surroundings, it is discovering its people. Cooking together, planting vegetables or just sitting on a hammock listening to the endless happy stories; these are the **life-changing experiences that elevate your vacation.**

## BAREFOOT LUXURY

So is fresh air and wild landscapes, nature at its fullest where one can disconnect & reconnect. Understated elegance, handmade products, local gastronomy, art... freedom to pour yourself a glass of wine or grab a beer, **privacy, intimacy, quite space, family.**

## FULL ADVENTURE

There are no limits when it comes to experiencing the adrenaline in Costa Rica, and we have made sure to become experts in the unexplored adventures. Reaching our highest peak Chirripó (3820 m.) might be the goal for many of us... but for those adventure-fanatics we have added a 5-day hike in the middle of the rainforest reaching Corcovado. **And there is more!**

### OFF THE BEATEN TRACK

Experience the roads less travelled, the feeling of finding new places, adventures and landscapes. Hiking, biking, on 4x4's or walking at your own pace, we have travelled around our country and found **the perfect spots for you to enjoy.**

### EDUCATIONAL GROUPS

Our goal is to create unique learning trips for professors and their students, where they can share and discuss with company leaders, first-hand success stories. Be ready for hands on field work, volunteering with communities while **experiencing the wonders of our country.**

### CLASSIC ROUTES

First-time visitors in Costa Rica have to check the list of must-visit destinations. Experiencing the wildlife of Tortuguero, the amazing greatness of the Arenal Volcano, the lush forest of Monteverde and the tropical beaches of our Pacific Coast are a requisite, but **we added special ingredients...**

### LONG STAYS

Experience an extended in Costa Rica Stay for several weeks or months in magnificent secluded beaches or lush mountains. Whether you're working remotely, relocating to the area, or simply want to visit for more than a few days, we can put together a plan that offers privacy, accessibility and **overall the best of Costa Rica.**

We offer you a robust corporate platform to make sure we deliver Top-quality service at the most competitive prices, but overall, we can offer you the tranquility to rely on us.

# Our Commitment

Our foundation was created in 2009 as the result of the responsibility and commitment of Horizontes Nature Tours with Costa Rica. Our purpose is to promote funding for projects that can help improve the quality of life of our people and our environment.

Besides our environmental projects, we have been working closely with more than 1000 women from rural communities providing training and education for better livelihoods.

Rural-community tourism projects are also our passion, we have been working closely with communities from the Osa Peninsula, bringing better-living opportunities, education and business opportunities in the tourism supply chain of Horizontes.
